Student/Parent Communication Permission Form

Student Name: _______________________________________________________________

Student Cell Phone Number: __________________________ Email: ______________________

Parents Name: ________________________________________________________________

Parent Cell Phone Numbers: __________________________ Email: ______________________

School: _______________________________________________________________________

Clover Park School District staff wish to stay in contact with students and parents about upcoming assignments, schedules, tests and other reminders connected with classes, activities and sports. We are conducting a pilot to test a new text and email communication program which allows us to send a message to a group of students and send a parent or leader a single message or send an important message to the entire class, sport or activity. We plan to use this text and email communication program as an additional way to communicate, not replacing Skyward student/family access or our lengthier forms of communication such as newsletters.

By signing this form, you are giving CPSD permission to add your student’s cell phone number and email address to our communication program so they can receive texts and emails from district employees.

Please note that communication preferences for parents and students can be managed from the Skyler web portal within CPSD’s Skyward Family and Student Access system (see reverse side for English and Spanish instructions).

____  Yes, my child may be added to CPSD’s text and email communication lists to receive reminders from teachers, coaches and advisors.

____  Please add me to CPSD’s text and communication lists to receive parental reminders from teachers, coaches and advisors.
